

Very highbrow

Women's mags debate how much muff is enough, but who cares whether your nethers sport a Chanel C when wonky brows can lower your IQ instantly? Carmen Duma is The Eyebrow Queen and, at \$50 per visit, has waxed herself into a very lucrative market. Carmen has plucked celebrity brows from obscurity and those of numerous interstate clients who make dedicated visits. One woman even called from Dubai seeking the Queen's counsel. The Eyebrow Queen 03 9827 7164
