With over 20 years industry experience, **The Eyebrow Queen** has established itself as Australia's leading salon for perfect brows; transforming the faces of models, actors and celebrities with their unique and glamorous brow shaping techniques.

Founded by Carmen Duma and joined by her daughter, Diana, The Eyebrow Queen adopts a personalised approach to eyebrow shaping by readjusting the brow to achieve a symmetrical and balanced arch.

Largely considered as the non-surgical alternative to a face-lift, The Eyebrow Queen carefully exposes the natural brow bone while adopting a combination of waxing, plucking, trimming and tinting to achieve flawless brows for a glamorous and more youthful appearance.

Praised by both women and men alike, The Eyebrow Queen has become Australia's preferred designer brow specialists.

The Eyebrow Queen is located at 1/460 Chapel Street, South Yarra 3141. To learn more, please visit www.eyebrowqueen.com or call (03) 9827 7164.
